CAUSE

Jones commenced his term of supervised release on December 28, 2018, in the Northern District of Oklahoma. On June 12, 2020, Jones was arrested by Oklahoma Highway Patrol Trooper Curtis for Driving Under the Influence. Jones was also ticketed for speeding, not having a valid driver's license, and no insurance. Trooper Curtis observed a vehicle approaching him from the rear at a high rate of speed and check the vehicle's speed at 101mph in a 65mph zone. Trooper Curtis initiated a traffic stop and identified the driver as Adrian Robert Jones by his Oklahoma ID card. Jones stated to Trooper Curtis that he was coming from a bar downtown and admitted to consuming alcohol. Trooper Curtis could smell the odor of alcohol coming from Jones and asked him to exit the vehicle and perform standardized field sobriety tests. Jones failed several portions of the tests and was placed under arrest. Trooper Curtis read Jones the implied consent law and Jones agreed to submit to a breathalyzer test in which he blew .10 and was subsequently booked into the Tulsa County Jail. As of the writing of this report, charges have not been filed in the Tulsa County District Court.

Jones has submitted to urinalysis testing since he commenced his term of supervised release. On June 1, 2020, Jones submitted a urine specimen that tested positive for cocaine, amphetamine, and methamphetamine. Jones admitted to the use of ecstasy following the death of a family member. Since the positive test results, Jones has submitted two additional urine specimens which have tested negative. Jones is currently submitting three urine specimens for testing each month.

The defendant, after being advised of his right to assistance of counsel, agreed to said modification and executed a waiver of hearing and consent to modification of conditions as set forth herein.

Respectfully Submitted,
